

The Tuning Works

Cylinder Reconditioning Service in Partnership with Poeton Aptec

For current prices, see online store, e-mail or call.

The cylinders are honed to match any supplied pistons to your specs or simply honed to the original nominal size.

Once work is completed the customer is contacted for payment and the cylinders returned to you. Payment is accepted by BACS, Card, PayPal (pay-pal under £600 only)

Please call +44(0)7483 151 002 or
email sales@thetuningworks.com for further info

Example pricing correct on 14 Aug 23 and subject to change. Please note there is also an energy cost surcharge added by Aptec that is passed on at cost price only. Currently about £12.50+VAT
